CERTIFICATE OF APPRECIATION

EDUCLO PTE. Ltd., Singapore, has developed the comprehensive education platform, viz., EDUCLO. This comprehensive education platform is used by this university effectively to deliver the on-line lectures to the students of Undergraduate Programme during lockdown period 'COVID-19'. In addition, many on-line workshops are organized by using 'EDUCLO' platform.

I am very comfortable to deliver the lectures and to conduct workshops using this platform. Further, this education platform is worth considering due to its credentials and comparatively better features. Thereby, I heart fully appreciate the efforts of EDUCLO PTE. Ltd. Singapore, in developing this platform and advise them to use it for 'Virtual University'.

Sri Srinivasa Prasad, Chief Executive Officer & founder, 'EDUCLO PTE. Ltd., Singapore' is in the advisory committee formed exclusively for Jawaharlal Nehru Technological University Anantapur, Andhra Pradesh, to implement National Education Policy (NEP) in this University.
